

Home Health Services

We know that it isn't easy to make the decision to invite a caregiver into your home to provide homecare. Our personalized system is the best in homecare and designed to maximize your peace of mind.

Home Health Services offers experienced and dependable professionals that care for patients from newborns to the elderly. These services are delivered in the privacy and comfort of your own home and our staff is available by phone 24 hours a day.

When Care May Be Appropriate

- Following a hospital stay
- For an illness or injury that does not require hospitalization
- While recovering from accidents, heart attacks and strokes
- Wound care management
- Diabetes education

What Services Are Available?

- Skilled Nursing
- Therapeutic Treatment
- Diabetic Management
- Intravenous Care
- Wound Care

The Home Health Services Team consists of a group of professionals including a Physician that work together to develop a personalized plan of care to ensure that your needs are met. Your home health services team may include a:

- Certified Home Health Aide • Licensed Social Worker • Licensed Vocational Nurse
- Physical Therapist • Physician • Registered Nurse

The staff at **Home Health Services** has the experience and compassion needed to provide care in the home environment without sacrificing quality or safety. The entire staff of Home Health Services appreciates your confidence in allowing us to provide you with personal and professional home health care services tailored to meet your individual needs. You can feel confident knowing that Home Health Services will give you access to outside supportive care and assistance when you need us.

Our goal is to help prevent exacerbation of illness, to prevent re-hospitalization in some cases, and to assist clients in becoming as knowledgeable about their illness and independent with their care as possible.

We are committed to providing and continuously improving the home health care needs of our patients by delivering value driven, high quality compassionate care. Please contact us if you would like more information or to arrange for services.
