

Your Health. Your Life. Our Passion.

Welcome

Our Mission: Desert Oasis Healthcare (DOHC) is committed to the provision and facilitation of the highest quality medical care to the residents of the desert communities.

Our Vision: We will strive to be an organization which provides excellence in every encounter. As a result, we will be recognized by:
Our patients as their care givers of choice; Our employees as their employer of choice; Our provider and health plan partners as their health care network of choice.

Desert Oasis Healthcare is a non-discriminate (Religious, Cultural, Sexual, Ethnic) Health Care Provider.

DOHC is a team of highly skilled primary care physicians and ancillary providers and services providing the community with all their health care needs from newborn to senior care. We have convenient locations throughout the Coachella Valley, Morongo Basin and Yucca Valley areas.

Desert Oasis Healthcare's services include access to 6 Immediate and Urgent Care Centers - Bermuda Dunes, Indio, Palm Desert (2), Palm Springs and Yucca Valley. We also offer Living & Aging Well Programs committed to educating individuals on how to apply the principles of preventative health care in their daily lives, resulting in improved health.

We accept most PPOs, HMOs, Medicare, private insurance, and private pay patients. We are affiliated with every hospital in the Coachella Valley, which includes Eisenhower Memorial Hospital, Desert Regional Medical Center, John F. Kennedy Memorial Hospital and Hi-Desert Medical Center.

We invite you to look over our services and e-mail us or call Customer Service directly for more information at 760-320-5134, 1-800-500-5215 or 760-320-5764 TTY Line.

Yours in good health,
Desert Oasis Healthcare
