Physician Assistant

*Also speaks Spanish*

Paul Herrera-Ramirez is an accomplished Physician Assistant with more than 24 years of distinguished service in the United States Air Force Medical Service. Throughout his military career, he served as a Primary Care Provider and Flight Commander, leading clinical teams while upholding the highest standards of patient care. His extensive experience includes multiple deployments to combat zones and participation in humanitarian missions around the world.

Paul was selected to serve in the prestigious White House Medical Unit under two presidential administrations, where he provided direct medical care to the President, Vice President, and their families—an honor that reflects both his clinical excellence and trusted leadership. A native of the Coachella Valley, Paul returned home following his military service to continue caring for the community that shaped him. He holds a Bachelor of Science and a Master of Physician Assistant Studies from the University of Nebraska Medical Center and earned his Doctor of Medical Science degree from the University of Lynchburg.

Known for his compassionate, patient-centered approach, Paul believes strongly in treating every individual with care, dignity, and respect. He is deeply motivated by helping patients better understand their health and empowering them to take an active role in their well-being. Outside of medicine, Paul enjoys hiking and camping with his three sons. He is proud to be part of the Desert Oasis Healthcare team, where he continues to serve as a leader in internal medicine, providing thoughtful, evidence-based care to patients throughout the Coachella Valley.
